## FACE COVERINGS REQUIRED.

Thank you for doing your part.

The Cape Girardeau County Public Health Center has issued an Emergency Public Health Order requiring the use of Face Coverings.

Everyone over the age of 9, who can medically tolerate a Face Covering, are required to properly wear a Face Covering while on the premises. Children between the ages of 3 and 9 are strongly encouraged, but not required, to wear a Face Covering, while under the supervision of an adult. Those who do not comply with the Public Health Order can be denied service or entry and may be asked to leave the premises until properly masked.
